CASE STATUS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is filed in view of an examination of Public Pair, for the status of the application.

On November 13, 2007, examination of Public PAIR did not indicate that the AMENDMENT of August 2, 2007 had been denied entry, and did not indicate that that paper had been considered .

Accordingly, on November 13, 2007 at about noon, the undersigned left a voice mail message with the Examiner and then discussed the situation with Mr. Brian E. Hanlon [PTO Legal Office 571-272-7704]. Mr. Hanlon indicated at that time that PALM showed transactions as follows:

It had an entry for the PTO-2051;

But PALM did not show that AMENDMENT was considered or reviewed.

There have been subsequent telephone calls back and forth to the Examiner [on at least one occasion last week, we did review the foregoing on the phone; but, because of the holiday during the week of November 19, 2007 resolution of the status of the AMENDMENT and case was not achieved.]

This paper is filed to memorialize the foregoing.

Respectfully submitted,
